Any player under the age of 18 years playing in a senior women's team will be ineligible to play in the Youth Girls finals unless she has played no more than 5 senior matches.

Special consent may be granted to players under these age limits upon written application by the parent or guardian and the club to the AFL Sydney Competition Management Committee stating the players date of birth and the reasons why an exemption is requested

- (B) During the Men's and Under Age home and away season any player who has played nine (9) or more matches in one grade is not permitted to drop back more than one grade (i.e. seniors to thirds; reserves to fourths etc).
- (C) During the Women's home and away season any player who has played nine (9) or more matches in one grade is not permitted to drop back more than one grade.

- (E) During the home and away season where clubs have senior football teams playing on separate days on the same weekend, players are only permitted to play on both days if the second or subsequent match the player plays is in a higher division. (i.e. if a player plays Division Two on Saturday he is permitted to play Division One on Sunday but not Division Three). Where clubs have senior football teams playing on the same day, up to two (2) players are permitted to play in a lower division in a second or subsequent game. For the purposes of clarity, Under 19 competitions are exempt from this By-law. If however an Under 19 player plays a higher senior grade, he is not permitted to play in a lower senior grade.
- (F) Individual Clubs or Clubs under an MOU partnership who field an U19's Division 1 and an U19's Division 2 team must submit for approval by the Competition Management Committee prior to the beginning of the home and away season a restricted players list of eleven (11) players who are ineligible to play in U19's Division 2. - (I) In the case of playing a catch up match which was originally postponed due to weather, any player who played in a club's higher grade the previous week to the catch up match is ineligible for selection. Under 19's are exempt from this rule in that they can return to U19's however they cannot be selected for a lower grade senior team. The following exceptions apply:

- a. If a club has two or more teams playing catch up matches (or a combination of catch up matches and regular season matches), a player can play in a consecutively ranked lower grade (i.e. seniors and reserves, U19 Division One and U19 Division Two) if both the grade they played the previous week and the consecutively ranked lower grade are playing a catch up match on the same weekend.
- b. If a club has all grades playing on a designated wet weather catch up round (can be a combination of catch up games and regular season games) players can be selected in any grade regardless of what grade they played the previous week. Men's (seniors and U19s) and Women's grades are treated separately under this exception clause (eg. if a club's Womens grades are not playing but all Men's grades are, male players can still be selected in any grade, and vice versa).

(J) For U19s Competitions, Clubs can only include a maximum eight (8) players under the age of 17 (as at Jan 1) per team for any given match. There is no restriction on Swans and GIANTS Academy players meaning they are not included in the eight (8) player maximum.

Appendix “C” – Recording of Images

- (A) The law surrounding the taking of images, video and/or audio by way of electronic or any other means (**recording**), particularly of minors, is complex. AFL (NSWACT) takes this issue very seriously, and the provisions below are designed to assist Clubs, Officials, Players, families and supporters, as stakeholders, to deal with this complex issue. However, these provisions are not legal advice, and all stakeholders must make their own enquires. Whilst AFL NSWACT will provide information, guidance and assistance on these issues, the responsibility to ensure compliance with all legal (including statutory) provisions lies with individual stakeholders, as appropriate.
- (B) When a person enters private land, they consent to any requirements that the property owner may impose on them. This may include restrictions, including prohibitions on the making of a recording of events held on their land. There is nothing, however, to prevent a person from making a recording from outside of the borders of private land, regardless of the property owner’s preferences. In the absence of conduct that is offensive or threatening and unlikely to interfere with the public enjoyment of a public place, there is nothing to prevent a person from making a recording of minors in public places.
- (C) It is thus not generally illegal to make a recording of minors at sporting events, but a common-sense approach needs to be taken.
- (D) Persons making a recording and persons using such recordings must be mindful of the complex issues surrounding privacy.
- (E) Unless consent is specifically withdrawn, by reason of the Terms and Conditions of Participation the Player’s image in any form or medium is able to be used for general marketing and promotional activities.
- (F) By agreeing to the Terms and Conditions of Participation when Registration is effected, the Participant irrevocably consents to the use of Participant’s Footage and Likeness for competition management and administrative purposes
- (G) The provisions seek to strike a balance between concerns regarding privacy and the reasonable use of such images.
- (H) This Appendix governs the recording of images, video and/or audio by way of electronic or any other means (**recording**) of League activities where used by or for the use of or on behalf of Clubs and/or for, by or on behalf of their Officials (**recorder**). It must be read in conjunction with relevant Codes of Conduct and the Registration Terms and Conditions. Where this Appendix is inconsistent with specific provisions in the Registration Terms and Conditions, such specific provisions of the Terms and Conditions will prevail.
- (I) It sets out the terms and conditions on which such recording can take place, seeking to balance the reasonable expectations of privacy by the participants and the reasonable use of such recordings for legitimate purposes.
- (J) Recordings may only be used within the spirit of the game and within the Laws and consistent with the Code of Conduct.
- (K) In this document, **participant** means all Players, Club appointed Umpires and Team Officials, and does not include spectators and officially appointed Umpires.
- (L) The recorder may only record Matches and other AFL related activities such as practice Matches, training and drills (**activity** or **activities**) for legal, instructional, coaching and promotional purposes (**the accepted purposes**) and must not record activities for commercial, indecent, inappropriate or illegal purposes.

- (M) Subject to the direction and supervision of the League, and the direction or ruling by the relevant Code of Conduct Investigations Sub-Committee or Tribunal, such recording may be used for legitimate purposes in Code of Conduct investigations and/or Tribunal hearings.
- (N) The recorder must inform the ground manager (where appointed), the Coach and/or Team Manager of the Club and any Club (**other Club**) whose participants are involved in the activity to be recorded, before the recording is commenced. The other Club may not object to the recording being made. The Coaches and/or Team Managers must use their best endeavours to inform participants, and the parents and guardians of all participants who are minors, of the recording.
- (O) If a copy of the recording is requested by an official of the other Club (the **requestor**), the recorder must provide a copy within 3 working days after being provided by the requestor with suitable media on which to copy the recording. The requestor shall pay the amount identified in Table 1. The League may request a copy of the recording and advise the recorder of the media on which it wishes to receive the recording and such copy shall be provided to the League without charge within 3 working days.
- (P) None of the recorder, the requestor or the League shall provide a copy of the recording to any other party except with the written consent of both Clubs.
- (Q) None of the recorder, the requestor or the League shall post, stream or otherwise share the recording, including on the internet or social media. The recording may be shared for instructional, Coaching, Tribunal /Code of Conduct purposes but only by the Club, the other Club or the League. Except where used for the accepted purposes, none of the Applicant, the requestor or the League may make any other form of publication of the recording.
- (R) The requestor and the League may only use the recording for the purposes outlined in point 5 above.
- (S) A recording may be used for promotional purposes unless the consent of the parent or guardian of any players who are minors for the use of such recording has been withdrawn prior to its use.
- (T) Where informed consent is required, it is the sole responsibility of the party who is required to obtain the informed consent to obtain such informed consent.
- (U) The provisions of this document apply to recordings however and by whomever made or obtained.

- 6.3. AFL Sydney may, acting reasonably, reassess an individual Player's Player Points Allocation where it is deemed inappropriate based on playing history or circumstances. Clubs may make an application detailing relevant evidence regarding the reassessment of a Player to the Administration Committee. The determination of an application for reassessment will be at the discretion of the Administration Committee.
