Welcome to Henson Park, where the Sydney AFL meets the VAFA for the first time since 1938, it has been too long since that date and we are pleased to see the "Big V" here in Sydney again.

On behalf of the players and coaching staff of the Sydney AFL, I'd like to thank both organisations for the opportunity to be a part of this rare occasion, I'd especially like to thank Garry and Alana from AFL (NSW-ACT) for their tireless efforts in both putting on this game, as well as running the steadily improving Sydney AFL.

There is no doubt that our code is on the march here in Sydney and it is through the efforts of all people concerned, players, coaches, parents and friends - as well as all club officials that we are making progress. A representative fixture against a quality team such as the VAFA is so important to our continued growth, and we thank the "Ammos" for making the trip up. We extend plenty of Sydney hospitality to you (off the field only!?) and hope you enjoy your visit.

While we know that taking on such a quality opponent is a challenge for the Sydney boys, it is just the challenge we need and we embrace it wholeheartedly knowing that if we perform to our best it will be a cracker of a game!

And for all the players, coaches, administrators, supporters and followers of the Sydney AFL, I have a simple message, we are proud to represent all of you today as we pull on the "2-Blues", so get behind us and cheer us on as we take on the Vics here at Henson Park - sometimes, from little things...

Cheers & Enjoy your day at the Footy!
